

Sr. Software Engineer (SSE)

ABSTRACT

This is one of the subject from my personal notes series named “Coding-With-Arqam” that I am developing from the start of my professional development career.

Subject

Tools

TOOLS

- > Top Extension:
- > Bracket pair colorizer 2
 - > npm
 - > npm intellisense
 - > ESLint
 - > Code spell checker
 - > Auto close tag
 - > DotENV
 - > Path intellisense
 - > MarkdownLint
 - > Material Icon Theme
